it's kinda a joke, get it the whole fun thing.

I had a pis on wet
Lnts got
hi salt
lots of
food

Have shared ownership of the place you're eating and the place you're buying food from... so... \$6 food + \$2

E.T.R.

Card and purchase the available share from a willing seller from another store. So at the end of each year ^{financially} receive a division of the profit.

E.T.R. owners receive a division of the profit
